A Message from the General Manager

"Everywhere is within walking distance if you have the time." – Steven Wright

I am writing this during the great break in our weather in January, and it feels like Spring is right around the corner. I sure hope it is. This break in the rain has been great for advancing the work on our 4.5MG Water Tank project. DN Tanks, the contractor building the tank, is done with the tank construction, and Mercer Fraser, the Prime Contractor, now is working on finalizing connecting the piping, backfill around the tank, and haul off the excess soil piled up. I love this accompanying picture from inside the tank as it looks like the inside of a pyramid or some ancient temple. We are hoping to have this project completed this spring. It will be good to have it done so we have extra water storage, but also because the next construction projects are already starting. A reminder that this tank project is grant funded from a FEMA/CalOES grant as well as a grant from the North Coast Resource Partnership and the Department of Water Resources.

The BMX Park at School & Washington is trying to start. We are still working through the permitting with County Planning but also hope to have that done this Spring. We adjusted the start date for the Contractor to April 2, 2025. We hope that Spring is here by then and he can hit the ground running.

This is also a grant funded project from the State Natural Resources Agency, Prop 68 funding and will consist of the BMX USA certified track, a playground, a pickleball court, and a halfcourt basketball court. It will be a terrific addition to that area of town and to McKinleyville as a whole, if we can just get it built.

The Community Forest is also in full swing. There remains, and will remain for a long time, things to get done out there. We have a great bunch of talented McKinleyville community members along with District Staff working on it though. The overall Community Forest Committee

Inside of the new 4.5MG Tank.

Overlooking the Community Forest! Staff Photo.

meets every third Tuesday of the month, at 5:30 at Azalea Hall. The Forest Management Plan Sub-committee meets on the first Tuesday of the month at 4:30 at the District office. The Trails Subcommittee meets on the fourth Tuesday of every month, at 5:15 at the District Office. I encourage you to stop by or listen in to those meetings if you are interested in what is happening. Each of those agendas, along with the Zoom links, are on our Website the Friday before each of those meetings. We will also be having Public Meetings to discuss certain topics, likely starting this summer, and we will advertise those well in advance.

We also received some incredibly good news from Congressman Huffman's office that we will be receiving grant funding for the replacement of our sewer mains that run under Highway 101! This is a \$5.1M grant that will replace these 50+ year old pipes. It is a much needed project and the grant will make it affordable without impacting sewer rates.

We are working on two other grant funded projects that are still in the design phase, the replacement of our water tanks at the west end of Hewitt and the rehabilitation of our main sewer lift station off Fischer Road. We continue to upgrade our infrastructure so it will last the next 100-years, at the lowest possible cost to the rate payers and have been lucky (and diligent) in getting these grant funds to offset costs.

The District continues to be a remarkably busy place, but if you ever want to talk about anything or have any questions, feel free to give me a call at the office 707-839-3251.

Patrick Kaspari, General Manager

Community Builder Award

The "Community Builder Award" is an award the District presents to local individuals, businesses, and organizations for their volunteer service, sponsorship, promotion of programs and events, outstanding service in the interest of the District, and for other contributions significant to McKinleyville's quality of life. District Staff has identified Mad River Rotary as a worthy recipient of the award for 2024 for the organizations dedication to serving and supporting the community.

The Mad River Rotary Club of McKinleyville was established in 1974. Since then, it has been a key partner with MCSD, the community of McKinleyville, Humboldt County, the State of California and the world. Mad River Rotary has assisted the District on several projects including the construction of the Sheriff's Substation, a new sound system and score board for the Activity Center, equipment for the Teen Center kitchen as well as active participation in fundraising for the Boys & Girls Club of the Redwoods at the McKinleyville Teen Center.

Each year, Mad River Rotary plays a key role in organizing Pony Express Days, a Thanksgiving lunch for the Senior Center, and scholarships for McKinleyville High seniors. They also host an annual lunch celebrating the top 10% of McKinleyville High seniors by grade point average and support student exchanges with high school students from around the world.

It is an honor and pleasure to present the 2024 Community Builder Award to Mad River Rotary. McKinleyville is fortunate to have a community focused service club like Mad River Rotary, whose dedication, generosity, and hard work continue to make a lasting impact on the lives of residents. Their commitment to service exemplifies the spirit of community building, and we extend our deepest gratitude for their contributions to McKinleyville's growth and well-being.

Above: Mad River Rotary President, Tim Woodward, accepting the award from the MCSD Board at the Feb. 5 Meeting. Below: Mad River Rotary's booth at the 2024 Chili Cook Off.

Employee of the Year

Each year, McKinleyville Community Services District (MCSD) employees vote for Employee of the Year. The employee of the year is a person who brings about significant positive change, eliminates obstacles in achieving District goals and objectives, is innovative and resourceful, contributes constructively, exceeds expectations, inspires others, proactively identifies and resolves challenges. The employee of the year is chosen through a secret ballot by their peers as judged upon merit. The 2024 Employee of the Year Award goes to Eava Young.

Eava's natural leadership abilities have been a tremendous asset to the District. During a period of significant staff changes, including the onboarding of a new Finance Director and the retirement of two long-term Finance and Administration employees, Eava provided stability and focus to the front office. Eava's efforts ensured that MCSD ratepayers experienced minimal disruption during these transitions. Eava has refined, streamlined, and updated processes, significantly improving the overall efficiency of the District. Eava consistently goes above and

beyond to facilitate clear communication and connection between departments, ensuring everyone remains on the same page. Eava is known for her kindness, reliability, and is a trusted colleague to everyone at the District. Eava will hold this distinction for the 2025 calendar year with a new Employee of the Year crowned at the end of 2025.

Above: Eava accepting the award at the MCSD Board meeting on Feb. 5, 2025 with MCSD Staff.

State of McKinleyville

The State of McKinleyville is an annual event that brings together chamber members, local leaders, and community members to discuss key issues affecting our community and region. On Wednesday, January 8, 2025, the McKinleyville Chamber of Commerce hosted this year's event at Azalea Hall, offering an updated format to encourage more community engagement.

The evening began with a tabling session, where attendees connected with local organizations and agencies, including Sea Goat Farmstand, the Humboldt County Sheriff's Office, the McKinleyville Community Services District Community Forest Committee, McKinleyville Municipal Advisory Committee, and the Arcata Fire District.

During the forum, attendees heard insightful presentations from:

- Virgil Moorehead Jr, PHD, Executive Director of Two Feathers-NAFS
- Jessica Maciel, Deputy CAO, County of Humboldt
- Heather Bergen, Humboldt Association of Realtors

The forum concluded with a moderated Q&A session led by Jim Ritter, where community members had the chance to ask questions. Supervisor Steve Madrone and Humboldt County Sheriff William Honsal were also in attendance to answer community questions.

The Chamber extends its heartfelt thanks to our speakers, moderator Jim Ritter, and our sound technician, Kevin Held, for their outstanding contributions to the success of this event. A special thank you to Umpqua Bank and Redwood Capital Bank, whose generous sponsorships helped make the evening possible.

Finally, thank you to the over 75 community members who joined us for this meaningful evening. Your participation and engagement are what make events like this so impactful.

For more information about events like the State of McKinleyville, please contact Jesse Miles at the Chamber office at 707-839-2449 or visit mckinleyvillechamber.com.

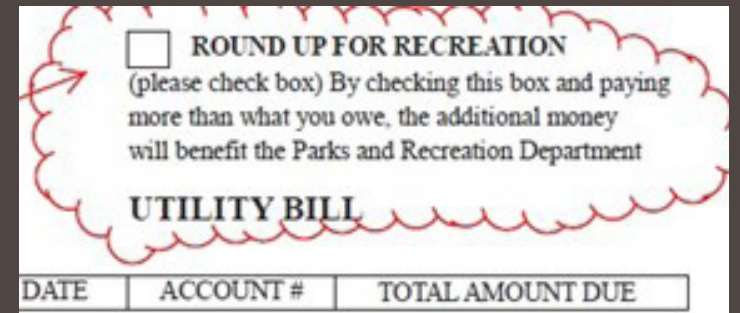

Above: Jesse Miles, Executive Director of the McKinleyville Chamber gives opening remarks. Below: Event Photos of the tabling organizations and crowd.

Round Up for Recreation

Did you know that you can use your water and sewer bill to donate to your local Parks & Recreation Department? The McKinleyville Community Services District provides a variety of recreational activities and opportunities for community members of all ages. In addition to participating in recreation, McKinleyville residents can support their local Parks & Recreation Department by "ROUNDING UP FOR RECREATION" on their monthly sewer and water bills.

On the bill (see above left) you will see a small square which you can check to then round up to the nearest dollar or any dollar amount above the amount of your bill that you wish. That "rounded up" money contributes to the MCSD's recreation programs including the Youth Fee Reduction Fund. Rounding up is a simple and effective way to support recreation opportunities in your community. Your small contribution, when added to what other citizens are contributing, can make a big difference in our small community!

A HUGE Thank YOU to our Youth Sports Volunteer Coaches & Team Sponsors!!!

Thank you Youth Sports Volunteer Coaches & Team Sponsors !!!

McKinleyville Parks & Recreation would like to take a moment to acknowledge our amazing community that comes together each year to support the formation of the Youth Basketball League and the Pee Wee Basketball League! This season McKinleyville Parks & Recreation has had another record number of sign-ups for the Youth Basketball League open to boys and girls in 3rd through 9th grades. This season there are 267 kids registered to play and we have 26 teams!

The youth leagues are organized by McKinleyville Parks & Recreation, but the volunteer coaches and team sponsors are the heart and soul of the league which would not be possible without the generosity of parents, grandparents and community members who volunteer their valuable time to coach the kids! In order to cover the costs of running the league, McKinleyville Parks & Recreation asks for team sponsors to sponsor a team for \$325. Each season, we are grateful for the many businesses and individuals who generously sponsor the teams and make youth leagues possible in our community. We at McKinleyville Parks & Recreation want to express our sincere gratitude to you! It is humbling to be a part of such a valuable tradition that we have created for our youth. If you are reading this and you have played such a role in making the leagues possible, thank you, we appreciate you!

Pierson Park Music in the Park

We are gearing up for another summer filled with fun family events, and Pierson Park's Music in the Park is just that! This upcoming June, July and August, the McKinleyville Chamber of Commerce in partnership with McKinleyville Parks & Recreation and Mad River Radio, will host the sixth annual Pierson Park Music in the Park series every Thursday from June 19 through August 21 from 6:00 to 8:00! Please come out and rock out to live bands, play lawn games and take part in these free & fun community evenings!

If your business is interested in becoming a sponsor, please contact the Chamber Office, 707-839-2449, ASAP as these sponsorships fill up quickly! Each night, a different nonprofit will have the opportunity to fundraise at Music in the Park. There will be food truck vendors each night, or you can always pack a picnic at home and bring it along. Bring your skateboard and non-motorized scooters and check out the new McKinleyville Skatepark! We are going to have a Car Show and Bike Show night again this year too!

The Pierson Park Music in the Park committee is made up of representatives from the Chamber, Mad River Radio and MCSD Parks & Recreation. All of the committee members volunteer their time planning, setting up, hosting, and cleaning up after these nights. If you are interested in joining the committee, contact the Chamber office.

Botanical Garden Volunteer Work Days

In 2024 the McKinleyville Botanical Garden third Sunday of each month volunteer work days were a success! The garden volunteers put in 385 total hours for the year! We want to extend a heartfelt thank you to all of them for their efforts. The volunteer work days will continue in 2025, see the ongoing schedule below!

Are you interested in helping to restore a small community driven botanical garden, featuring pollinator and bird friendly plants? Then these volunteer work days are just for you! No experience necessary. Learn about native plants; get inspired for your own garden; take home some cuttings. Come once; come twice; every little bit helps! Once volunteers have learned the ropes, they can work on days of their choosing. It's a great place to be outdoors; listen to the ocean as you create a welcoming environment for bees, birds and people. Connect with other nature lovers.

Ongoing Schedule: Regular Schedule starts in April and ends in October: 3rd Sundays of month from 2 to 4 p.m. AND 1st Friday of month from 1 to 3 p.m.
Directions: Go west on Hiller Road to parking lot for Hammond Trail/Soccer/Dog Park. Garden is adjacent to children's playground.

Visitors to the garden can share their photos in the iNaturalist project called McKinleyville Botanical Garden @ Hiller Park. It's community based citizen science. <https://www.inaturalist.org/>

6th-8th Grade | McK Activity Center | 7:00pm-9:30pm
Last Dance of the School Year: April 18

Tickets 3-2 weeks before: \$12

Tickets the week of the dance: \$15

How to Be a Good Human: A Dog's Guide to Responsible Ownership

I love my human. My human loves me. My human takes me on the best walks! I love sniffing, running, and exploring all the wonderful places we go together. But you know what I love most? When my human is a responsible dog owner. That way, we can all enjoy these spaces safely and happily!

Here's what makes a great human when we're out and about:

Great Humans...

- **Keep me on a leash** when we're walking on trails, sidewalks, or anywhere that isn't a designated "off-leash" area. (I may think I have perfect recall, but let's be honest...squirrels exist.)
- **Pick up my poop** (Yep, it's a little embarrassing, but it's part of the deal). And they don't just pick it up—they actually throw it away in the right place! That's what those "Doggie-Pot" stations are for.
- **Respect the "No Dogs" signs** at playgrounds and sports fields. I might not be able to read, but my human sure can!
- **Understand that not everyone loves dogs** as much as they do. Some humans get nervous around me (I don't know why—I'm adorable!). But my human makes sure I don't run up to strangers uninvited.

Even though I know I'm a good dog, my human never assumes that every other dog I meet is just like me. Some dogs are shy, some are still learning, and some just don't like new friends. By keeping me close and following the rules, my human makes sure everyone—dogs and humans alike—feels safe and welcome.

So, if you're a human reading this, take it from me: Be responsible, be respectful, and most importantly...keep the walks coming!

Woofs and tail wags,
A Very Good Dog

Summer Camps Preview!

ELP Tot-Camp

McKinleyville Parks & Recreation is partnering with the McKinleyville Union School District to run ELP Tot-Camp this summer for MUSD students who have completed a year of TK or K.

Program hours run 7:30am to 4:30pm, no drop-off after 9:00am without prior arrangement. ELP offers students a breakfast and lunch meal with an afternoon snack. Please make sure your student wears proper shoes and brings a jacket.

Applications will open on March 1st along with a ProCare Registration Form. Apply directly through MUSD using the QR Code below, questions about applying can be directed to elp@mckusd.org

Times: 7:30am-4:30pm

Days: Monday-Friday

Location: McKinleyville Activity Center

Session 1: June 23-27

Session 2: June 30-July 3

Session 3: July 7-11

Session 4: July 14-18

Session 5: July 21-25

Session 6: July 28-August 1

Session 7: August 4-8

Session 8: August 11-15
